

Executive Council Candidate 2017

# Clovis Peryer

I am a Kiwi living in Japan with my wife Michiko, our daughter Rita and our dog Bob. My father lives in Taranaki and my mother and sister live in Brisbane.

Since 1998 Japan has been a major part of my business and personal life. The deeper the connections between Australia, NZ and Japan the happier I am.

I want to work for the Chamber to build personal and business connections between Australian, NZ and Japanese people and businesses.
